Librarians' Choices: After: Nineteen Stories of Apocalypse ...

After is an anthology of 19 post-apocalypse and
Dystopia short stories, many written by well-known
YA authors. While it's not uncommon for stories to
vary in quality in such a collection, After in

particular had quite a smattering of both really great stories and boring and/or illogical stories.

After Nineteen Stories Of Apocalypse

"After" is an amazing dystopian anthology collection of 19 stories about how the world might end. When it comes to the end of the world, most people think it will be a plague, war, or aliens. But these authors had a very different take on how it all will end and I have to say, I did not expect the authors to have so many different creative endings.

After: Nineteen Stories of Apocalypse and Dystopia by ...

The thing about After that sounded so interesting was the fact that it's a series of short stories about life after the apocalypse. And yes, I did see what they did there. Anyhow, I was interested to begin reading After especially since the list of authors that they have seemed pretty impressive (I personally was excited to see what ...
