Black Coffee Northwest is more than just a cup of coffee. It's a movement. More specifically, it's a grassroots, youth-driven initiative creating space in a Black-owned cafe and community hub in Shoreline. Co-owner DarNesha Weary has been an activist for the past 20 years, and Black Coffee Northwest offers a tangible home for that work.

Black Coffee Blues - Wikipedia

“Black Coffee Blues” is the first published book of Henry Rollins. It's a great little collection of poetry and journal entries from Rollins' days in the 80's touring with his band, Black Flag. I loved the hell out of this book and often come back to it just because the writings are so quick and easy to jump in to.
