~~Economic Facts and Fallacies, 2nd edition: Thomas Sowell ...~~

“One of the themes of ‘Economic Facts and Fallacies’ is that fallacies are not simply crazy ideas but in fact have a certain plausibility that gives them their staying power—and makes careful examination of their flaws both necessary and important, as well as sometimes humorous.”—from the www.goodreads.com synopsis.

~~Economic Facts and Fallacies Summary and Analysis (like ...~~

In *Economic Facts and Fallacies*, Thomas Sowell exposes some of the most popular fallacies about economic issues in a lively manner that does not require any prior knowledge of economics. These fallacies include many beliefs widely disseminated in the media and by politicians, such as fallacies about urban problems, income differences, male-female economic differences, as well as economic fallacies about academia, about race, and about Third World countries.

"Economic Facts and Fallacies is the kind of book lesser lights would have labored for years to produce. Full of pithy and useful data, and imbued with the wisdom of a lifetime of economic analysis, this is another home run for the sage of Palo Alto."

~~Thomas Sowell—Wikipedia~~

558 quotes from Thomas Sowell: 'I have never understood why it is "greed" to want to keep the money you have earned but not greed to want to take somebody else's money.', 'When you want to help people, you tell them the truth. When you want to help yourself, you tell them what they want to hear.', and 'It's amazing how much panic one honest man can spread among a multitude of hypocrites.'
