Exploration - EVE University Wiki

So right from the get-go, I chose exploration as my initial career in EVE. There was a lot to learn: fitting, flying, scanning, hacking, and (certainly not least) diplomacy. I very quickly jumped into the most terrifying sections of the galaxy, searching for increasingly expensive loot against increasingly hostile enemy players.

Eve Online Exploration Guide 2019 - Saarith.com

Exploration in EVE involves using scanning probes to locate Cosmic Signatures in space which may contain hackable containers with items inside, resources like gas clouds or ore, wormholes to distant star systems, or collections of NPCs which may drop rare items. As a profession, exploration can be profitable and engaging, and offers better rewards for players willing to travel in more dangerous space.
