Heidegger on Concepts, Freedom and Normativity (eBook ...

Martin Heidegger, the 20th-century German philosopher, produced a large body of work that intended a profound change of direction for philosophy. Such was the depth of change that he found it necessary to introduce a large number of neologisms, often connected to idiomatic words and phrases in the German language.. Two of his most basic neologisms, present-at-hand and ready-to-hand, are used to ...

---
