Planning and Running a Workshop - from MindTools.com

Also, meetings may be an hour or less, whereas the minimum time needed for an interactive workshop is 2-3 hours. We also do not include training workshops, talks, or seminars in our definition, because from our experience they tend to comprise lectures and tutorials, not brainstorming activities.

How to Run a Great Meeting | DaveRamsey.com

Thank you for the great tips for running a successful meeting. I would also like to add that before having a meeting, or worse, scheduling an entire day of meetings, you should really examine whether they are necessary. So many employees state that the biggest wastes of time at their job are meetings.
