I am putting in the new Viper 5901 for longer range, more features, and remote start. I have searched long and hard and can not find a complete wire list that shows all of the connection locations and wire colors for my car so I want to create one here and provide a write up for future 5th Gen Prelude do it yourselfers to refer to.

Can I get a Remote Car Starter on A Manual Transmission?

I have the Viper 5901 Remote Start/Keyless Entry/Alarm System on 2 of my vehicles, both of which manual transmission. I bought the Viper 5901 and had it installed at Best Buy. After it was installed, I tested it out... it worked, but it shouldnt work while in gear. I contacted Directed Electronic...

Viper 5901 Demonstration

The Viper product install guides must be the best kept secrets out there, Google revealed very little info. Viper are protecting their dealers by not releasing in-depth guides to Joe Public. The 5902 is based on the 5901, and perhaps only the remote changed. Does anyone have a install guide for a 5901 or 5902?

Viper Alarm 5901 Security W/ Remote Start 2000 Honda ...

Thanks. I don't remember where I found the 5704 installation manual, but I downloaded it once I found it because I figured it wouldn't be up for very long. So if you find one for the 5706, download it. Installing one of these really isn't that difficult, it's just tedious and time consuming. You're basically soldering "this" wire to "that" wire.

Attempts to install this product by a person other than a trained professional may result in severe damage to a vehicle's electrical system and components.

Need Viper 5706V install manual | Tacoma World

I drive a manual 1997 Mitsubishi Eclipse and installed a Bulldog remote starter in it 3 years ago. The install took all day but it has worked as advertised since I put it in. The only problem is that the range is not the best as I simply have a 10 gauge wire running from the switched switch to the back of the car.
